PERSONALITIES

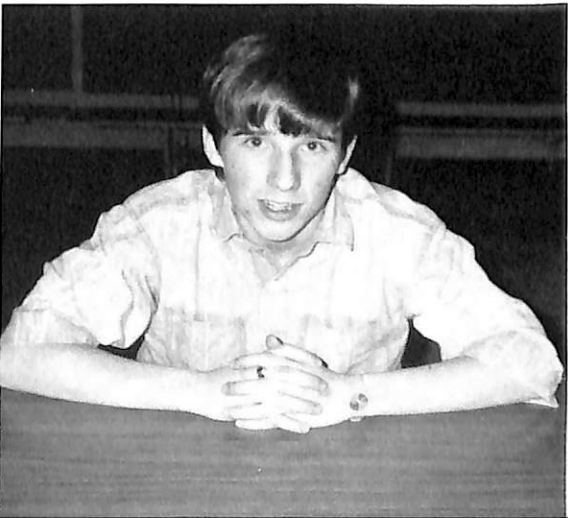

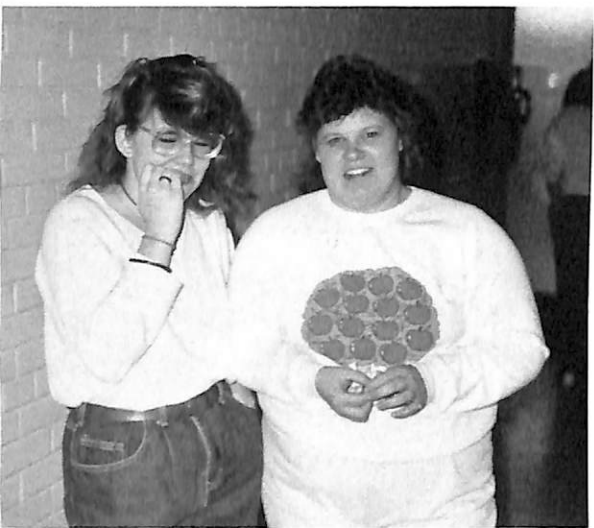

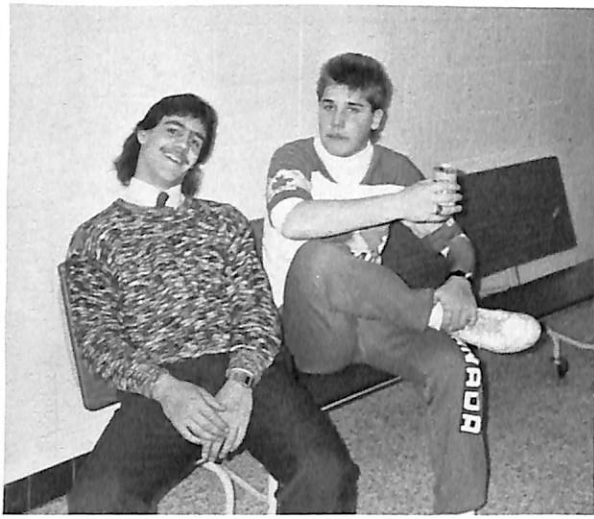

Personalities are like the colours of the spectrum.

Interacting personalities create spirit in a high school as blending colours create life in a picture.

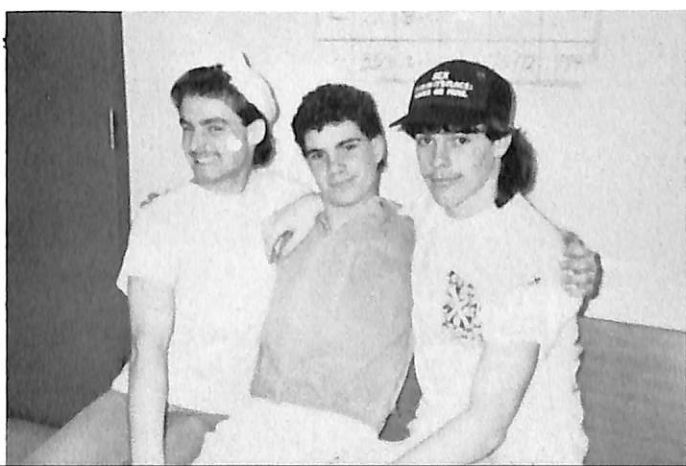

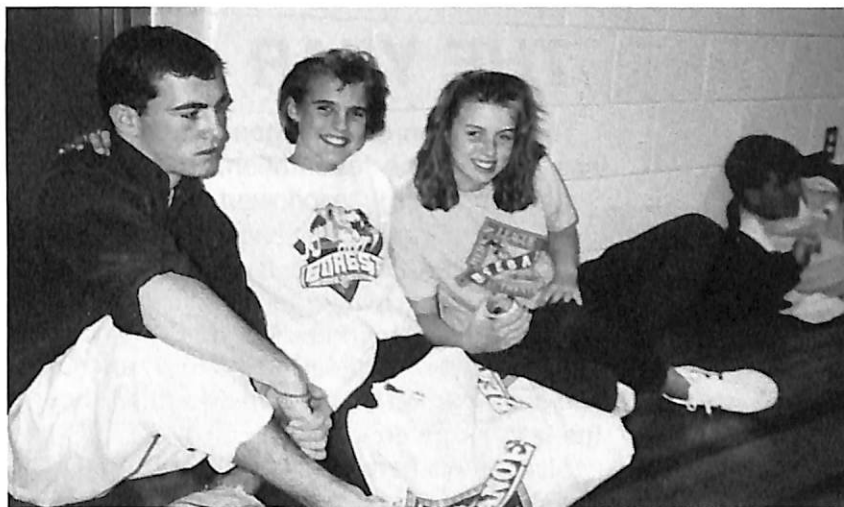

NLSS is full of diverse personalities: creative musicians and artists, aggressive athletes, serious intellectuals, class clowns and well-rounded achievers. The intermingling of these personalities gives our school character!

FRIENDS

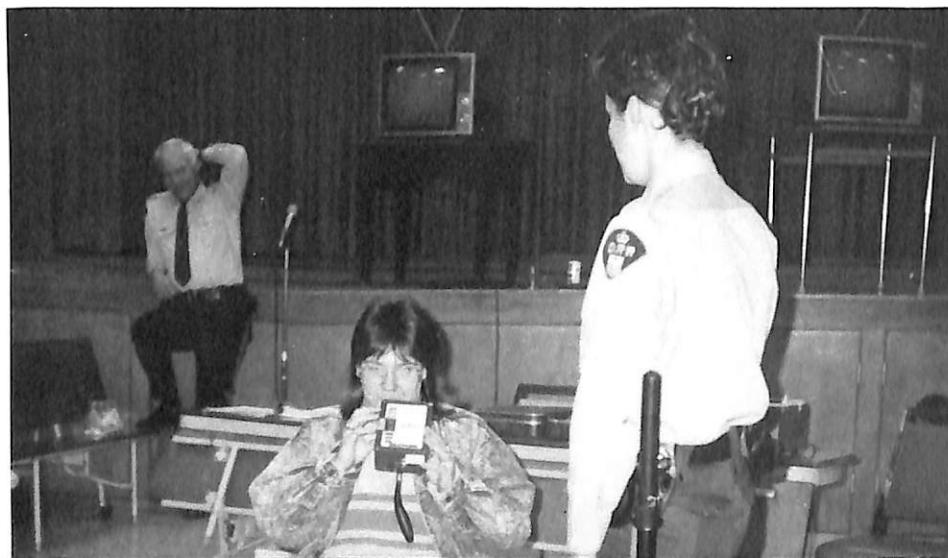

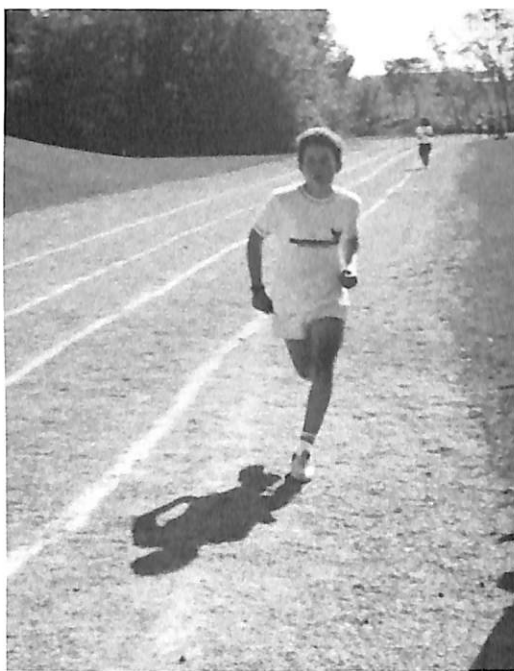

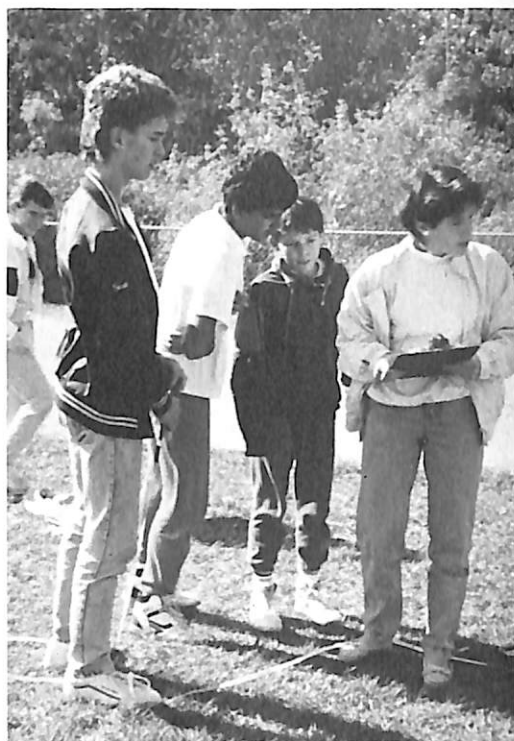

THE ONLY WAY TO HAVE A FRIEND IS TO BE ONE.

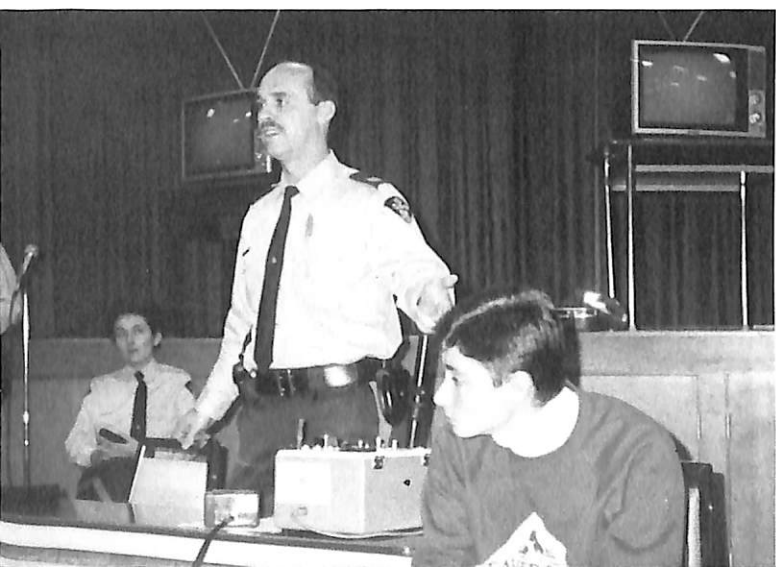

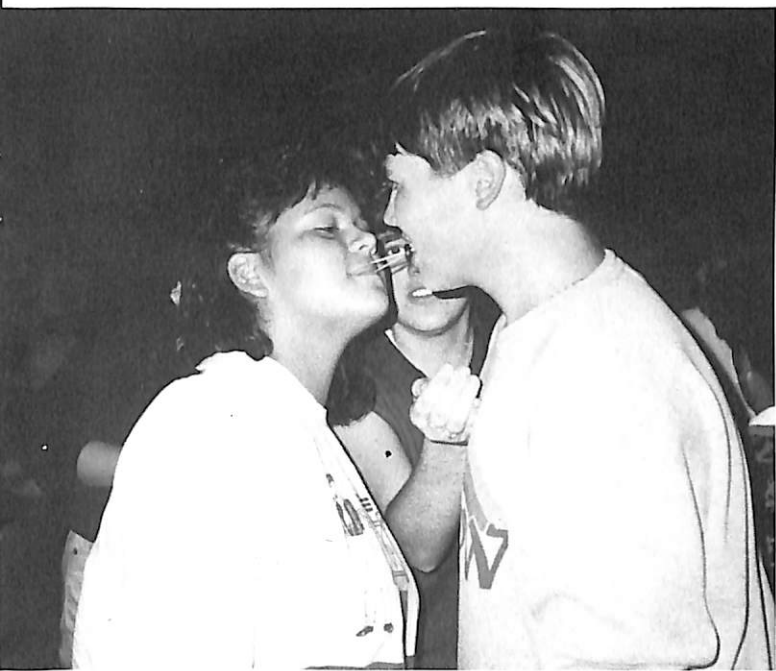

THE YEAR IN ACTION

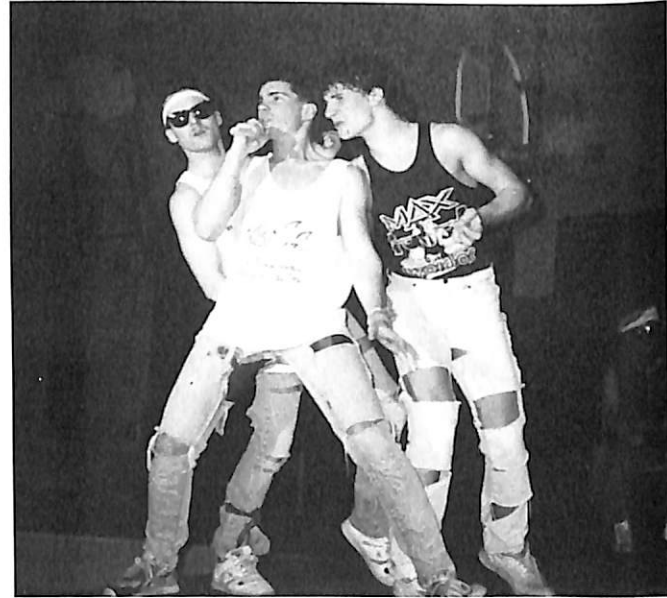

The first item on the agenda of school events this year was grade nine orientation, during the first week of September. This was followed by the grade nine Track and Field meet. February proved to be a busy month for NLSS, as well. The Red Cross held a blood donor clinic in the cafeteria which was very well received. Also during February, the Concert Band and Choir held a Sound-a-thon as a fundraiser for their trip to New York. On the same day, some concerned students held a thirty hour famine to aid the less fortunate.

Also shown here is a fundraiser by SAC, the "Pie-in-the-Face" contest.

AIRBAND '88

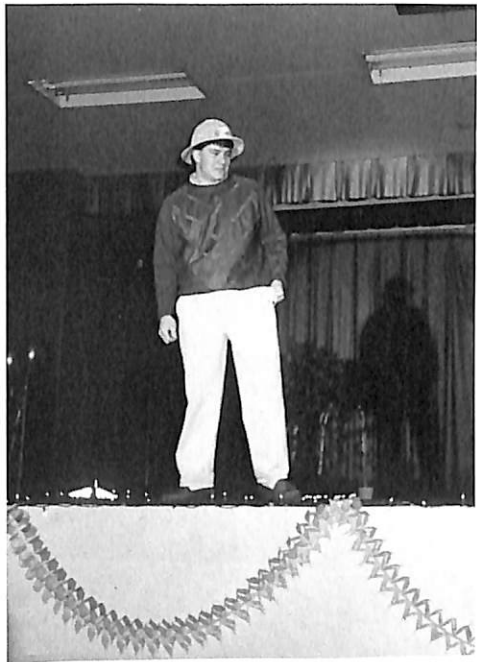

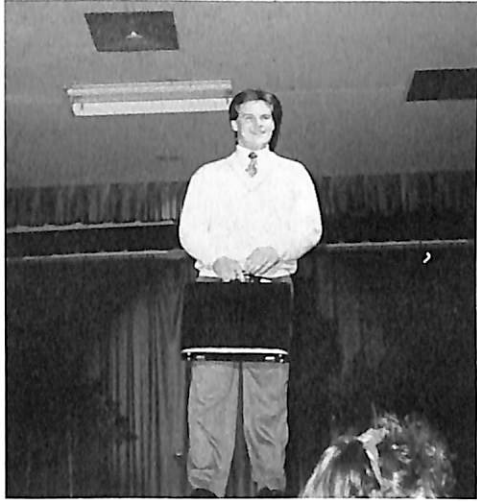

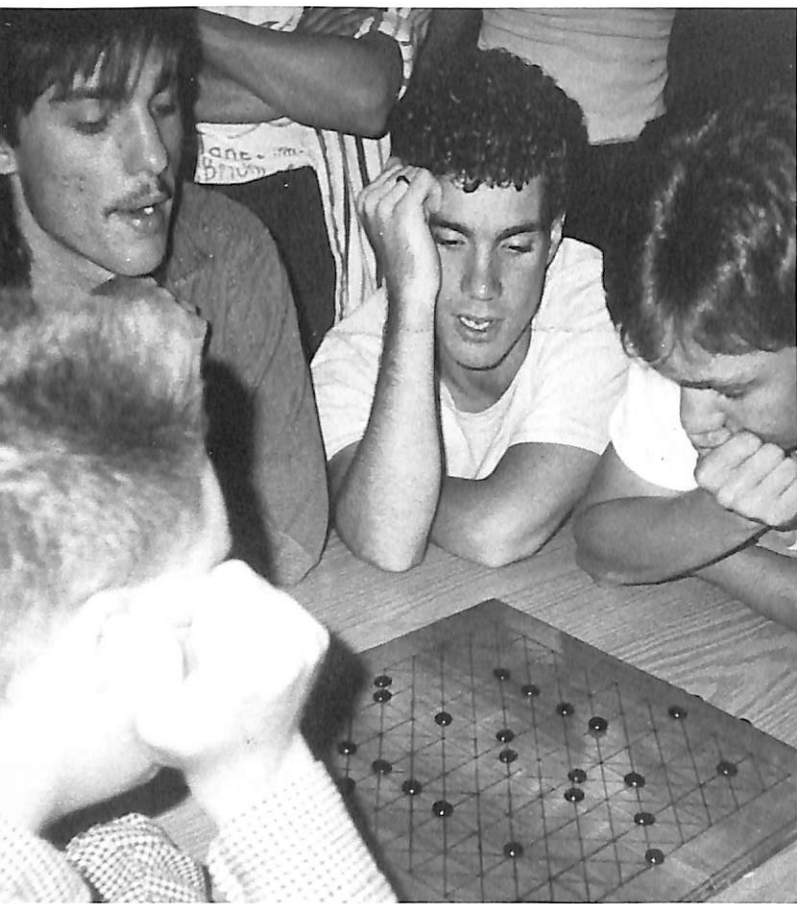

During the afternoon of the 15th of February, 1989, the student body of NLSS took part in the 4th annual Airband Competition. The competition was organized by the Class of '89 and the MC was Barclay Brown.

All of the bands that performed were thoroughly entertaining however, three of the bands received special recognition for their performances. First prize went to Bob Cates, Ian Coulthard, Tony Greiner, Peter Janes and Sarah Dodge for their rendition of the "Weird Al" tune "One More Minute." Jennifer Vanderheyden was awarded second prize for her dance routine to the song "Straight Up." Sandra Smith, Kim Smith, Stacey Brown and Mary Ellen Scott took third prize for their version of the song "Grease Lightning."

FASHION SHOW

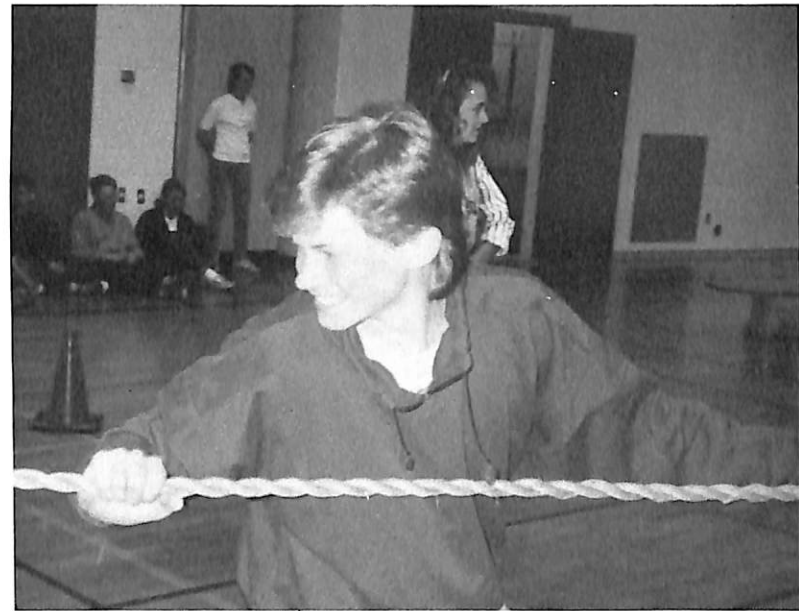

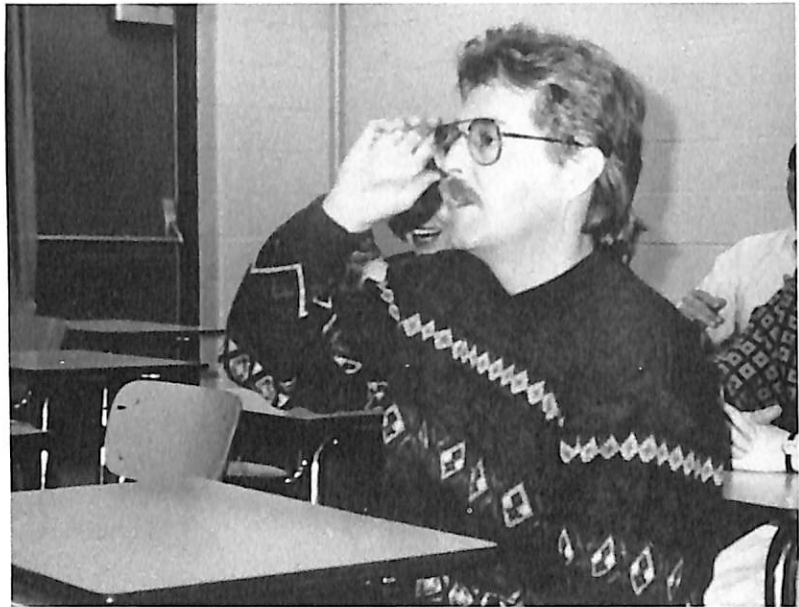

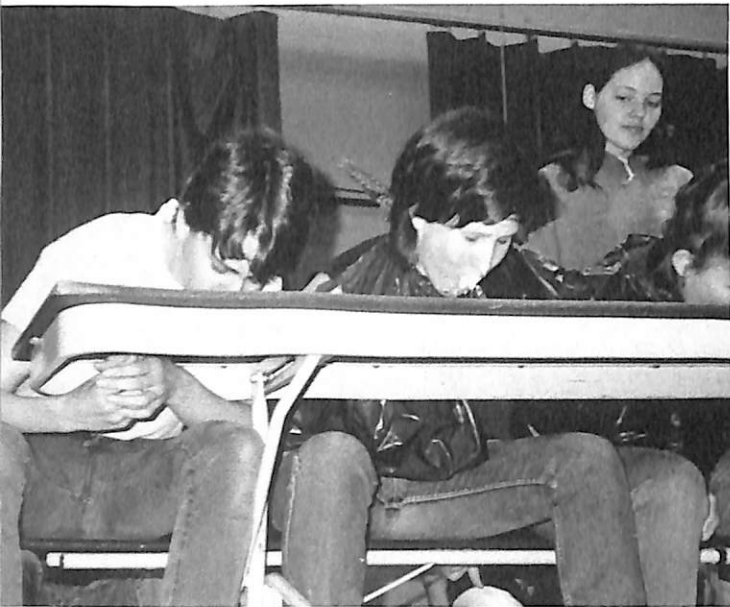

May and June proved to be very hectic months around NLSS. The months brought forth a Talent Night, the production of "Mousetrap" by the Drama Club, a balloon release to encourage the message of S.A.D.D., a trip to Boblo Island by the Intermediate Band and last but not least a fine display of strategy by Mr. Brown's Algebra and Geometry class.

MORE OF THE YEAR IN ACTION

OUR WINTER OLYMPICS

OUR WINTER OLYMPICS

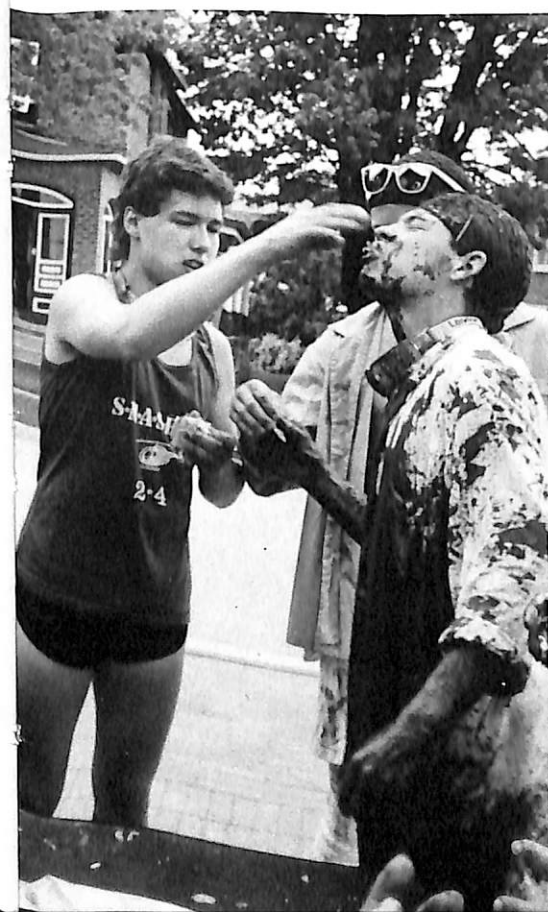

The month of March brought forth many activities, one of which was the Winter Olympics. With the efforts of S.A.D.D. the three day series was a great success. It was held from March twentieth to the twenty-third.

It included such activities as a Tug-O-War, an Eleven-Legged Race, a game of "Win, Lose, or Draw," and a Jello Eating Contest. The overall winner, by only one point, was the Olympians.

The purpose of the Olympics was to raise the school spirit in North Lambton and also to make S.A.D.D. more publicized among the students.

MOGA

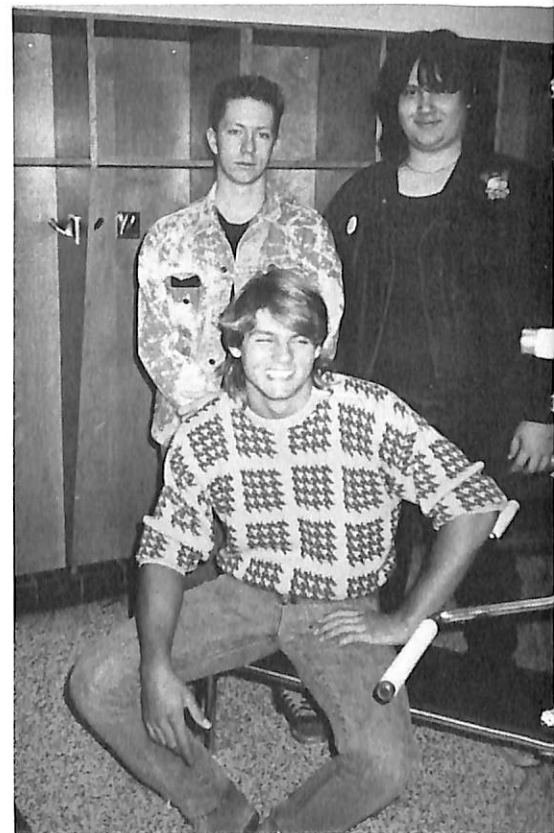

MOGA MADNESS was part of "Participation Week" and June 1st was the day for the Most Outrageous Group Activity.

Teams of ten people completed a circuit which included various activities such as an egg-toss, a plank-walk, a sub-eating contest and many more.

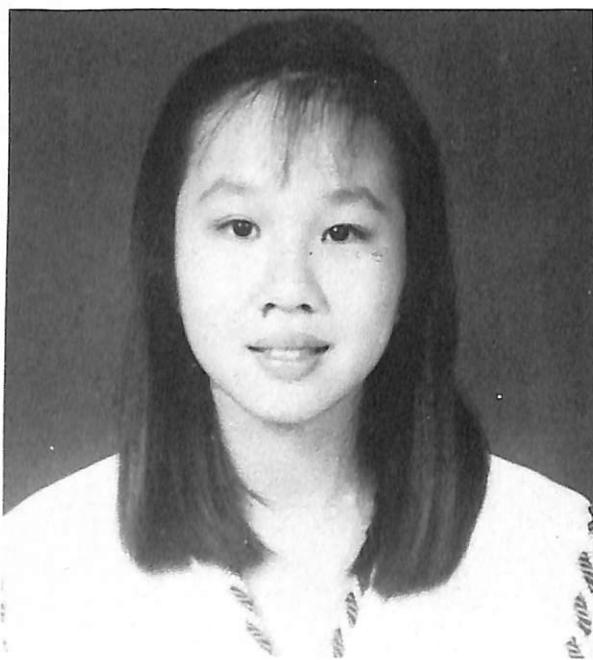

EAGLE ACTION

EXCHANGE STUDENTS

Hello Everybody,

My name is Ann Julie Chua, I am a Rotary Exchange Student from the Philippines. I can't begin to tell you how wonderful my experience has been here in Canada and N.L.S.S. I want to thank you all. My teachers, for their support and understanding, my friends, especially in the Yearbook Club, who were always there for me. My host families, The McIntyres, Clarks, Langdowns and The Croziers, who all treated me as their own. And finally the Rotary Club of Forest who made all of this possible.

I'll always remember this great memory forever.

Hope to see you again.

Miss you all!

Maraming Salamat (Thank You)

Thanks again!!

Sincerely Yours,
Ann Julie Chua
Rotary Exchange Student
(Philippines)

Hi! My name is Claudia Lecours. I was impressed by North Lamberton Secondary School, not because it's big but because the people are very friendly. I like my exchange student, her family and also my teachers. I had a lot of friends. Learning english this way was more fun than in my english class in Montreal.

If I could do it again I would do the same things.

Thank you for everything.
Claudia

WIZARD OF OZ

In early December of 1988 the NLSS Drama Club performed the Wizard of Oz. They presented two matinees for the area public schools, two matinees for our student body and an evening performance for the general public. Congratulations goes to the cast and crew of this play for a job well done.

CAST AND CREW

Dorothy: Joanne Marshman
 Toto: Lynette Shepherd
 Wicked Witch: Katherine Aarts
 Good Witch: Joanne Kiep
 Lion: Don Devine
 Tin Man: Michelle Tasker
 Scarecrow: Nancy Sapeta
 Wizard: Jennifer Vanderheyden
 Auntie Em: Brenda Linker
 Uncle Henry: Erik Fraser
 Guard: Erik Fraser
 Munchkins: Julie Buchanan
 Shelly Demers
 Pam Horner
 Corrie Johnson
 Janette Rider
 Vicky Routley
 Winged Monkeys: Chrissy Gilliard
 Tammy Lamb
 Beth Munroe
 Producer: Barclay Brown
 Director: Loretta Gillam
 Lighting: Dave Duister
 Debbie Emery
 Scott Keyes
 Make-up: Georgia Protopapas
 Costumes: Lori Woods
 Sound Effects: Natalie Hull
 Set: Karl Allen
 Kurt Allen
 Alison Scott
 Staff Advisors: Mrs. Ceci
 Mrs. Smith

The school year 1988-89 proved to be a very creative year for the Class of '89. The first activity, "Toga Day," took place on September 30. Students were encouraged to dig deep into their linen closets and attend a noon-hour dance as Julius Caesar look-alikes.

The second activity on the agenda was the "Kiss the Pig" contest. Thursday, October 27 turned out to be a very interesting day for Mr. Moloy as he was our lucky winner. For the week preceding the contest, students put their loose change in the jar of the teacher who they felt most deserved to kiss a pig. The contest remained fairly close until Mr. Furtney appeared at the last minute with his chequebook. Good planning, Mr. Furtney!

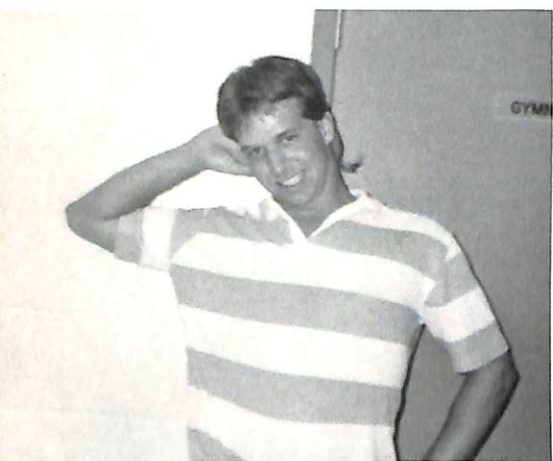

On November 16, the Class of '89 executive showed who was boss by winning the Great Toilet Paper Race, and on November 25 the Class of '89 went together with SAC to challenge the teachers to a three-legged soccer game.

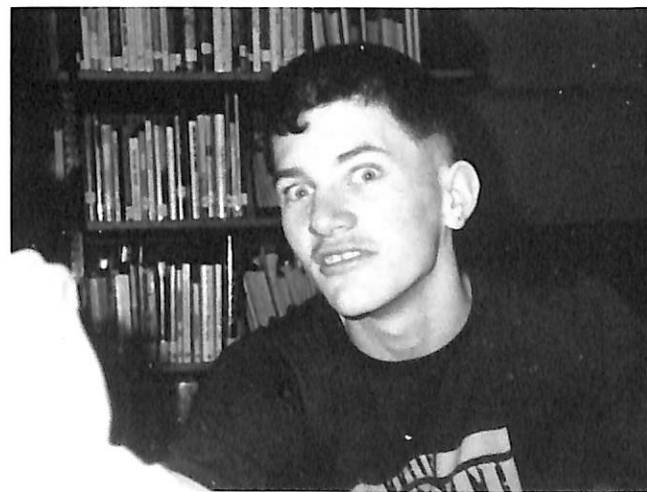

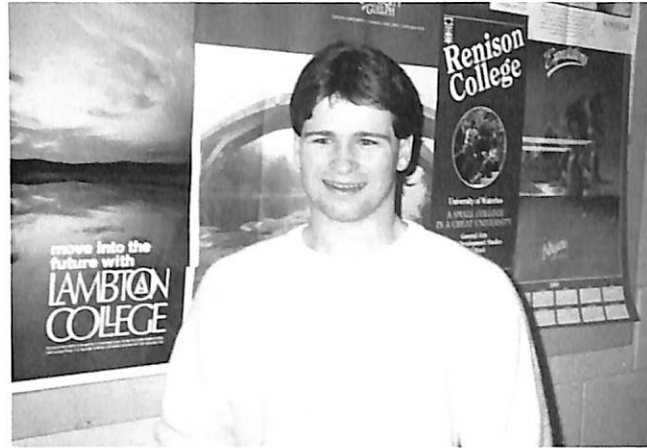

CLASS OF '89 ACTIVITIES

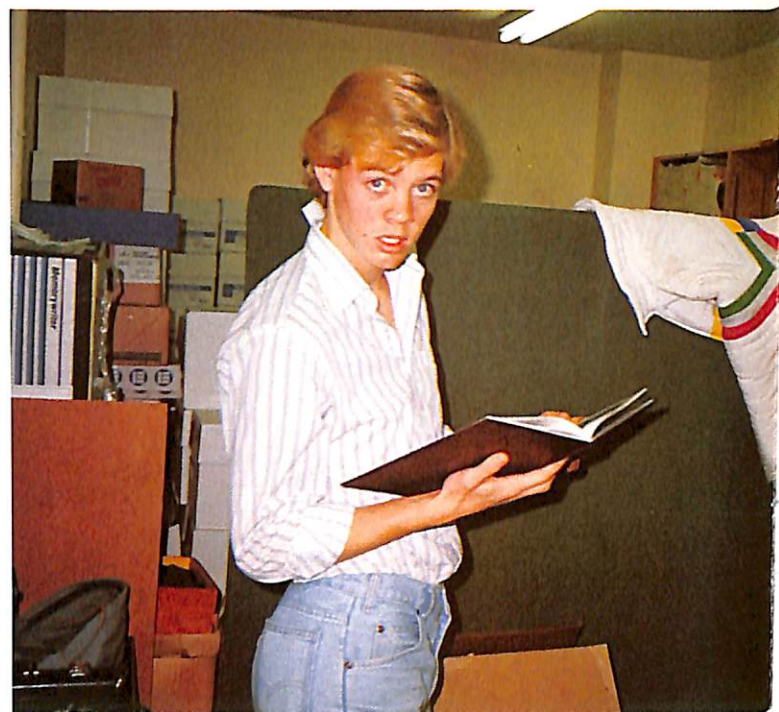

JUST HAVING FUN!

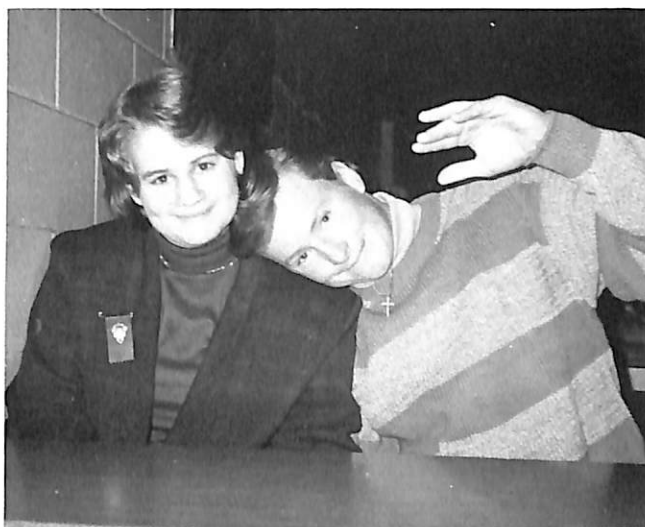

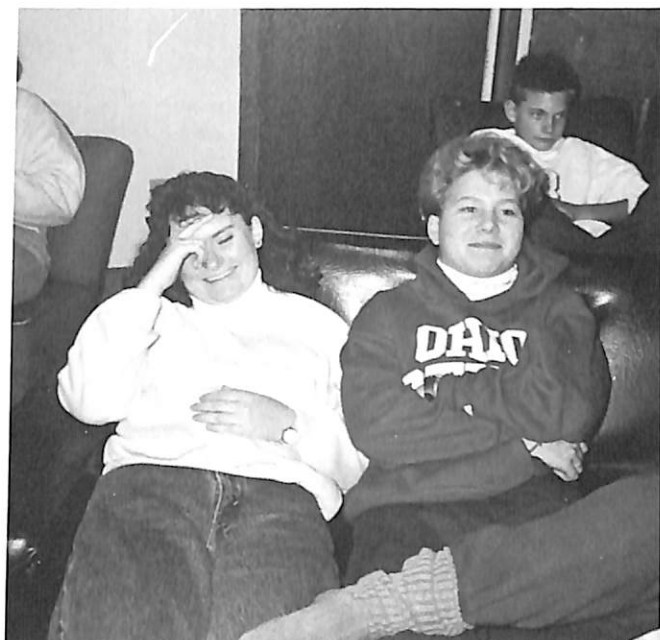

NORTH LAMBTON'S FIRST EVER SHOW-AND-TELL

(Centre) Hugging artifacts from their childhood, Mr. Burke's first semester grade twelve English class participated in NLSS's premiere "Show-and-Tell." Featured in the program was Randy Gilliard with his Donald Duck riding toy and Terri Price with her Raggedy-Ann doll.

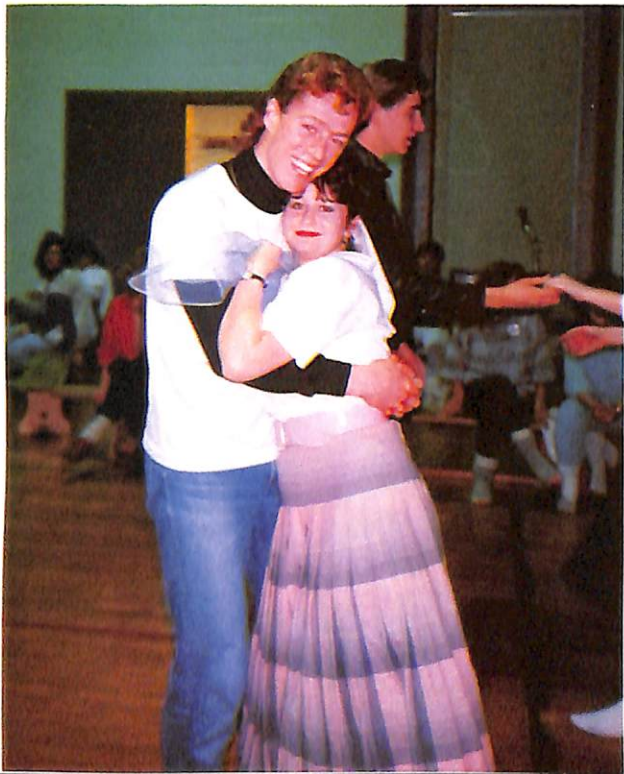

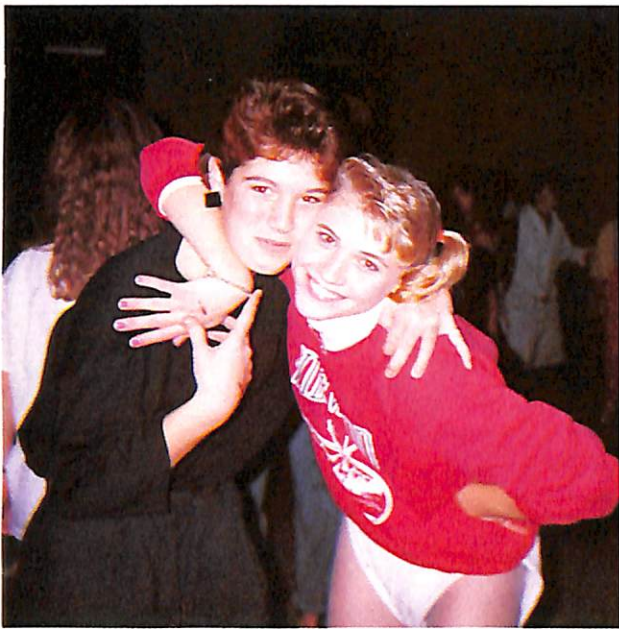

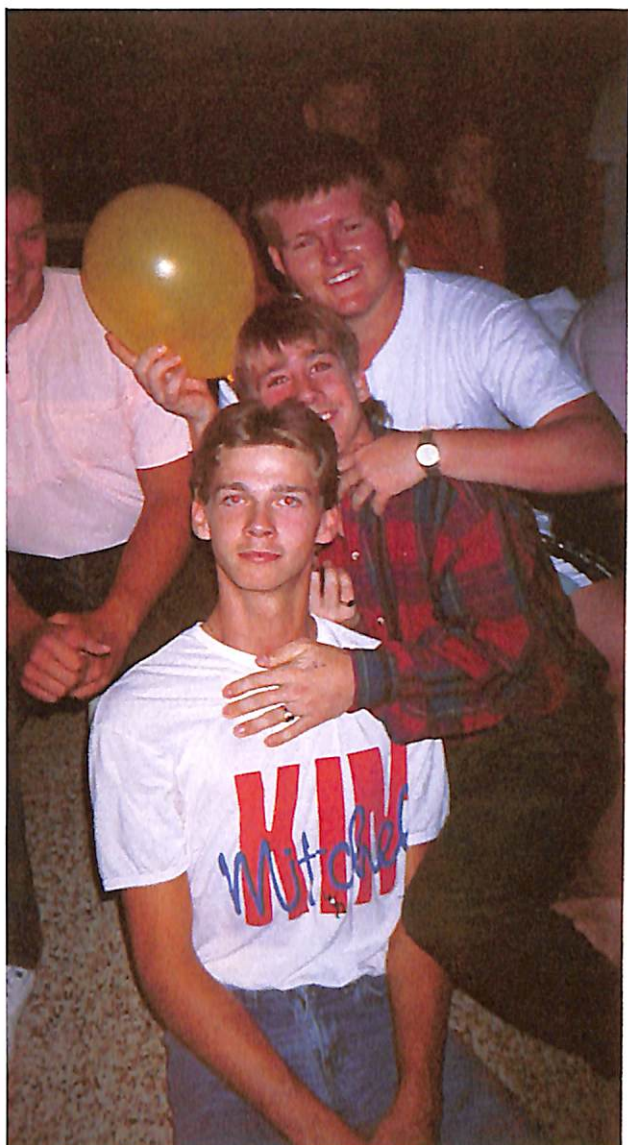

THE PACESETTERS

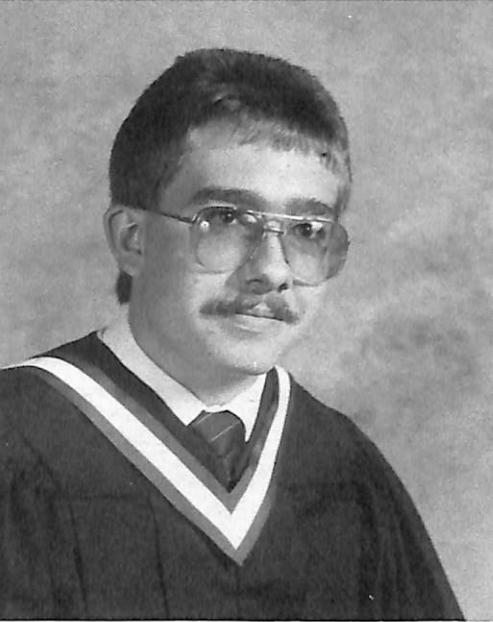

On the eve of September 9, 1988, students "danced the night away" at the first social event of the school year, the Back to School dance.

The arrival of Halloween was cause for another celebration. On October 27, a record number of students attended in ghoulish gear.

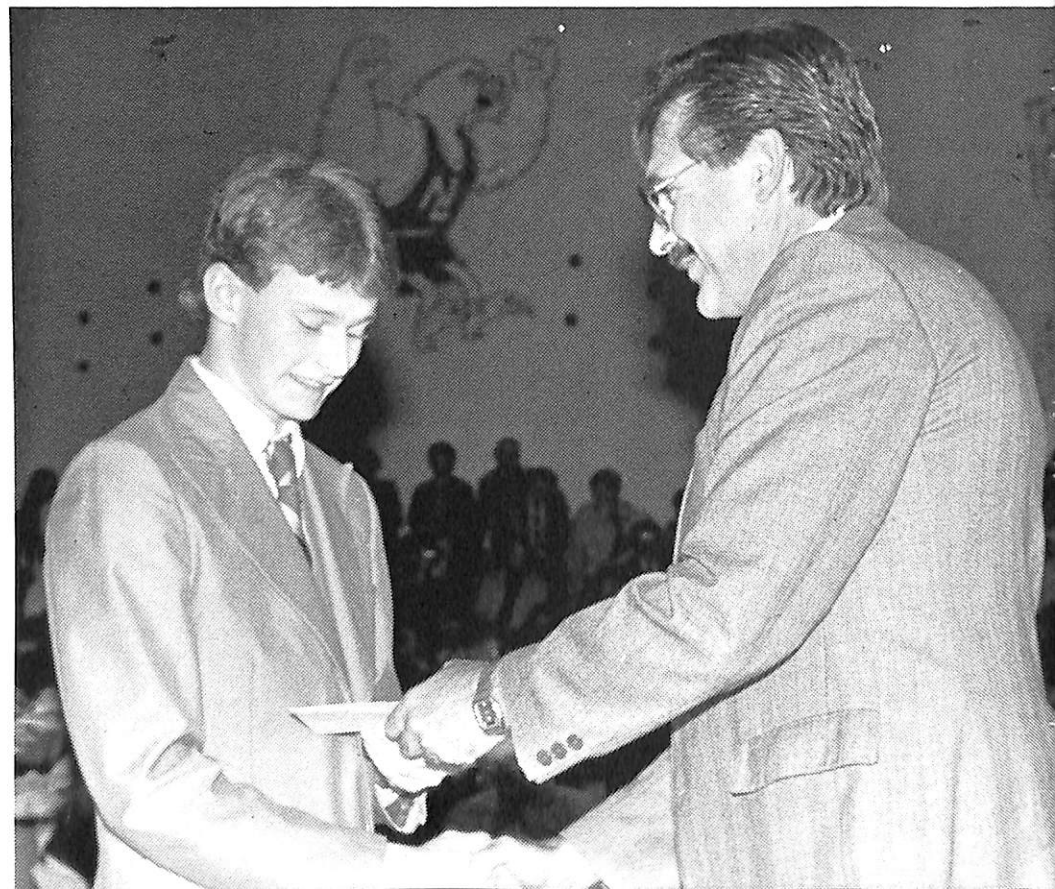

The final dance for the year 1988 was the Christmas semi-formal. Santa once again appeared to rock around the Christmas tree with North Lambton students.

EDITORS' MESSAGE

Another year has come and gone and hopefully we have all gained at least a little knowledge from it. With the passing year comes "Aurea Vincula 1989."

The yearbook means a great deal to those of us who have worked on it. Many valuable experiences are received as the edition begins to take shape through the year.

We would like to express our appreciation to the yearbook staff for their help and to Mr. Jensen, our staff advisor.

Thanks,
Jennie and Marcie

Mr. Jensen

FACULTY

PRINCIPAL'S MESSAGE

Isn't it great to be at North Lambton Secondary School! As the years go by and you take this book from the shelf, it will bring forth many memories. If as a student you were involved with the activities that were provided many of these memories will be remembered as positive experiences.

It is a book such as this that increases in value as the years go by because of the memories that it brings back.

We need to be very appreciative of the hard work put forth by the students and staff who have made this book possible. It is through their untiring efforts that this book is made possible and in the future will be cherished as a good publication.

Again, thank you to the entire yearbook staff for giving us a source of quality memories.

TEACHERS

Mr. Armitage teaches in the Technical department at NLSS. He attended the University of Western Ontario as a Social Science major, minoring in English. His goal as a high school student was to become a tradesman and his goal now is to retire. Mr. Armitage has taught for thirty-two years in five different schools. He enjoys fishing and told us that he doesn't like filling out questionnaires from the Yearbook Club.

Mrs. Beastall attended the University of Western Ontario, where she received a BA in Administrative Office Management Studies. She started teaching at NLSS in 1985. Mrs. Beastall's goal in high school was to be a business teacher. This year she taught Typing and was one of our three guidance counsellors. Her interests include students and spending money. Her dedication is shown with her enrollment in a three year summer school course for guidance specialists.

Mr. Boom has been here at NLSS for fourteen years. He attended university at Western, where he majored in Physical Education and minored in Business. Mr. Boom's after school job as a teenager was a "supershredder." This job included destroying confidential personal financial papers. His pet peeve, as most of his students know, is excuses. His most embarrassing moment occurred at Mothers Pizza, but further details were not obtainable. His interests include tennis, baseball, and running 10 km road races. This year Mr. Boom taught: Retailing, Law and Consumer's Education. In the past he also taught Phys Ed. Mr. Boom's goal is "to teach every lesson to the best of my ability."

Like several of his colleagues, Mr. Brown attended the University of Western Ontario. He majored in Mathematics. During his years in high school, his main goal was to pass French. Apparently his French-speaking abilities were not "Tres Bien!" Mr. Brown's present goal is to beat John MacNeill in "Mancala." Mr. Brown has been a teacher for twenty years and has taught at Peterborough CI, Northern CI&VS and last but certainly not least NLSS.

Mr. Burke studied for his BA at the Memorial University in Newfoundland, and his Masters in Education at the University of Toronto. He has been a teacher for twenty-five years and his goal now is to be a better teacher. Mr. Burke enjoys reading, speaking and story-telling. His pet peeve is teachers who complain about their students.

Mrs. Ceci has just completed her first year in teaching. She attended York University and was a Mathematics major with a minor in Drama. Previous to being a Math teacher, Mrs. Ceci worked as a statistician. Her main pet peeve is people who have more than eight items and have the nerve to be in an express line. Mrs. Ceci's most embarrassing moment was being stuck on the roof of her house pretending that she was one of Santa's reindeer. (Certainly original!)

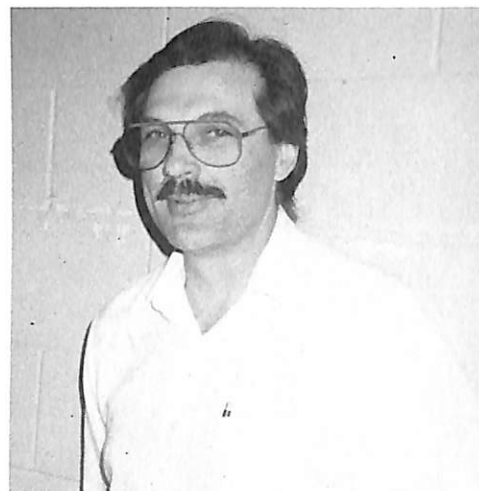

Mrs. Child went to Guelph University as well as Western. She started her teaching career in 1977, at North Lambton. She has been teaching Family Studies and was also one of our guidance counsellors this year. In the past, Mrs. Child also taught Math, Science, and English and was a resource teacher for many years. Mrs. Child's goals are to finish the school year and remain teaching at NLSS.

Mr. Creaner has been teaching for the last twenty-one years. Before coming to NLSS, he taught at Smith Falls Collegiate. He attended Carleton University where he studied Anthropology and Computers. His pet peeve is his golf swing. His interests are tennis, coaching soccer, and girls' baseball. Mr. Creaner wanted to join the Air Force and see the world when he was in high school. His goal today is to win just *one* baseball game.

Mr. Dougan

Mr. Enns has been teaching for twenty years, and all of those years have been at NLSS. He attended Sir Wilfred Laurier and Waterloo University. He majored in Philosophy and minored in Psychology. During his years in high school, Mr. Enns' goal was to become a Physicist. His goal now is to do more sailing. His main interests are piano, flute and Computer Programming.

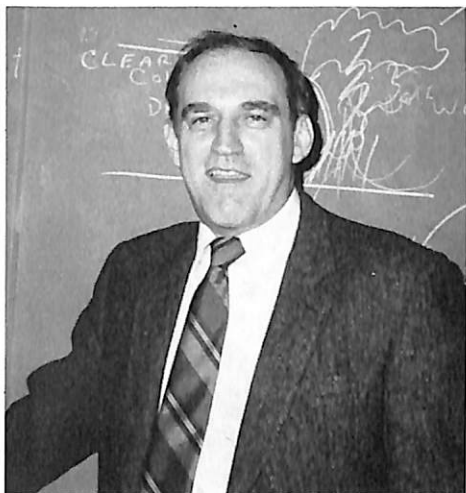

Mr. Furtney has been teaching for eleven years. He attended both Laurentian and the University of Western Ontario. His major was Honours Physical Education and his two minors were Science and Special Education. His interests include sailing, golfing, skiing, hockey, travelling, and Mr. Armitage's daughter. Mr. Furtney admitted that he has had several embarrassing moments in his life, but the most embarrassing was forgetting to put the plugs in his sailboat. (Oops!) Someday, Mr. Furtney would like to take his Masters in Special Education and perhaps teach in another country.

Mr. Gilfoyle majored in Chemistry and minored in applied Math at the University of Western Ontario. In his four years of teaching, he has taught Math, Science, Special Ed Resource and Enrichment. Mr. Gilfoyle's goals are: to make it through the school year and to spend more time with his family. His interests and hobbies include soccer, music, his family and reading. His pet peeves are: students who refuse to seek out their potential and coast through life, and universal critics.

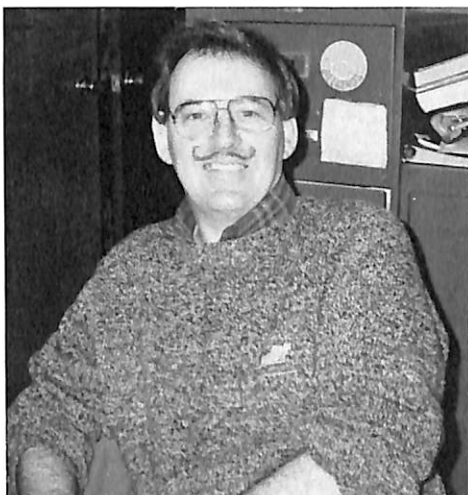

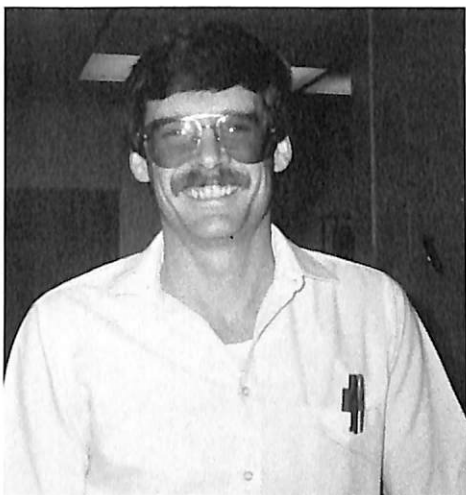

Mr. Giroux attended the University of Windsor and majored in Geography and French. He has been teaching for twenty-nine years at St. Lawrence, Cornwall, Gen Amherst, Amherstburg, and NLSS. Cycling, computers and boating are his hobbies.

Mrs. Goldhawk

Mr. Harrington has spent twenty years of his life teaching, but he has had several occupations previous to teaching. He spent three years in the army as a Russian interpreter. In the early 1970's he worked as an educational advisor to the Thailand government. He was a radio co-host on CHOK for five years, not to mention being a former reeve and deputy-mayor of Forest. While he was attending university at Sir George William's, he worked as a miner. Mr. Harrington was even a rock star before he emigrated from England in 1960.

Mr. Hoornweg attended the University of Western Ontario and has been teaching for fourteen years. He was a Mathematics major minoring in Economics. He enjoys playing hockey and at the moment is also interested in renovating his house. Mr. Hoornweg admitted to us that his most embarrassing moment was passing Jim Laird who also happened to be Mr. Hoornweg's pet peeve.

Mr. Hunt attended McMaster University where he majored in the Science of being Faciscious. He has taught at NLSS since the turn of the century. His hobbies include shrinking styrofoam spheres, sniffing toxic chemicals and cleaning up broken glassware. His pet peeve is balding physicists. During his high school years, his main goal in life was to get a date that he had not created in a test tube. He has not yet attained his goal. Mr. Hunt can always be seen rushing from the school promptly at 3:05 pm. It has been discovered that Mr. Hunt moonlights as an exotic dancer at a local club. That's no shift, Mr. Hunt!

In 1969, after obtaining an education at Western, majoring in Science and Physical Education, Mr. Illman started his teaching career. He is currently teaching Phys Ed and has taught Biology in the past. His main interests and hobbies are: nature, hunting and fishing. As a high school student Mr. Illman's goal was to get out of secondary school as soon as possible. Now, as a high school teacher his goal is to reach a healthy, happy retirement, having contributed as much as possible to students, and to have had fun doing it.

Mr. Jackson has been teaching for twenty-eight years. He attended both Queen's and the University of Western Ontario and was a Geography major. Mr. Jackson's main pet peeve is people who don't laugh. His hobbies include his family, golf and travel.

Mr. Janes went to the University of Western Ontario, and the University of Strasbourg. He majored in French and minored in German. He has been teaching for twenty-two years. Mr. Janes taught in Forest Heights, Kitchener before coming to NLSS. His goal in high school was to be a lawyer. His interests are: music, reading, photography and gardening.

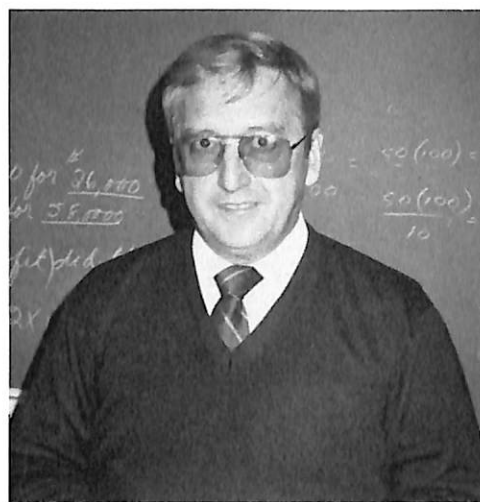

Mrs. Jared attended the University of New Brunswick, where she majored in Chemistry and minored in Biology. This year has been her first year teaching. During the year she has taught at SKITS and North Lambton. Her interests and hobbies include: nature, skiing, handicrafts and cooking. Her pet peeve is students asking "When are we ever going to use this?" We wish Mrs. Jared luck in the future as she is being transferred back to SKITS.

Mr. Jensen studied at many Ontario universities including: Guelph, Queen's, Waterloo, Western and Toronto. Geography, Biology and Sociology were his main course studies. In Mr. Jensen's eighteen years of teaching at North Lambton, his most embarrassing moment came when he taught a class wearing his tie hanging down his back. His goal in high school was to build a better bomb. His present goal is to buy a bigger boat. His pet peeve is: the WHMIS rules, especially when applied to high school labs.

Mrs. Johnson has been a Physical Education teacher for four years. She attended both the University of Western Ontario and the University of Ottawa. She majored in Physical Education and minored in History. When she was attending high school, Mrs. Johnson's main goal was to become a Phys. Ed. teacher and get her Honours specialist in Physical Education. Her goals now include coaching the Jr. Girls' Volleyball team to an LSSAA victory within the next three years, and being a great mom!

Mr. Kaempf is known as "The Collector", due to his wide assortment of coins, stamps, antiques, fine china, porcelain and other unique items. He also enjoys fishing and curling. Mr. Kaempf has been here at NLSS since he started teaching in 1958. He went to Wilfred Laurier University where he majored in Economics and Philosophy. Mr. Kaempf's goals in high school were to have fun and get out as soon as he could. He is currently teaching Finance and Math. In the past he taught Phys Ed, English, Geography and Biology.

Mr. Kalia has been teaching for twenty-two years. Before he became a teacher he worked as a Physicist in the United Kingdom. Mr. Kalia was educated at Punjab University in India, London University in the United Kingdom and at the University of Western Ontario. He has taught in a college in India as well as here at North Lambton. Some of his interests include yoga and travelling. Mr. Kalia's most embarrassing moment was going to his first R-rated movie with Mr. Hunt.

Mrs. Lowe teaches Note-Taking, Information Processing and Keyboarding. She has been teaching for twelve years and all of those have been spent at NLSS. Mrs. Lowe attended the University of Western Ontario and majored in Administrative Studies. While attending university, Mrs. Lowe worked as a tour guide on the campus and in the UWO's registrar's office. Mrs. Lowe's pet peeve is the word "Awesome," so business students Beware!

Mr. McCaw received his education through the University of Western Ontario. Before coming to North Lambton he taught elementary school for nine years, was a principal for five years, taught in Dashwood for three years and in Petrolia for two. His hobbies include making maple syrup, reading, spectator sports, and he used to play hockey. As a teenager Mr. McCaw worked at a dairy.

Miss McDonald

Mr. Moloy attended the University of Waterloo and majored in Kinesiology. He has been a teacher for thirteen years and has spent ten of those years as an elementary school teacher. Before he became a teacher, Mr. Moloy worked as a truck driver. His present goal is to gain more experience as a coach. His hobbies include all sports, and all varieties of music from classic to contemporary.

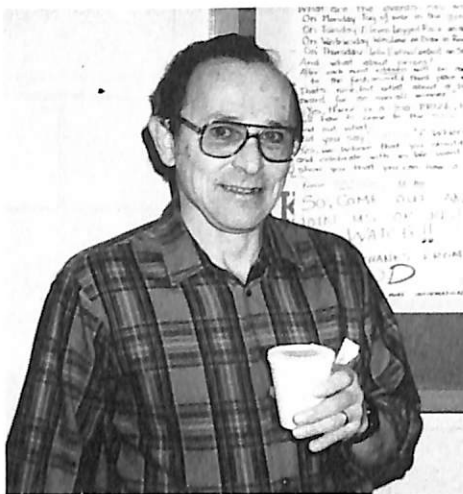

Mr. Muir studied Business and Economics at Laurentian and Queen's University. His goal as a high school student was to be an airline pilot. Now his goal is to outlast the grade nines he has been teaching for the past twenty-three years. Mr. Muir's hobbies and interests include minor hockey, music, and gardening. His pet peeve is "Crankshaft Hoornweg."

Mrs. Murray

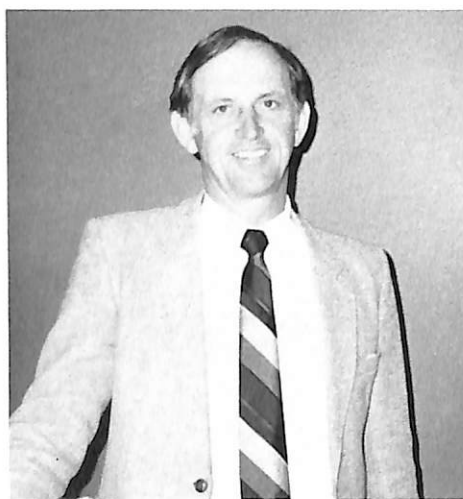

Mr. O'Donnell went to Western where he majored in History. He is currently teaching History, English, Geography, Math, and Science. He has been here at North Lambton for twenty-five or twenty-six years. His goal is to set up a better basic program at NLSS.

Mrs. Opper went to university at Western, where she majored in Music, and minored in German. In 1987 she came to North Lambton for her first year of teaching. She enjoys teaching immensely and also enjoys: performing music, taking walks, travelling and spending quiet time with her husband. This year she taught music and English. In high school her dream was to be a professional gymnast, and her goal today is to be the best teacher that she can be.

Mrs. Preszcator received her education at UWO where she majored in Art and minored in English. She has been teaching here for fourteen years. Her goal in high school was to party a lot and have a good time. Her goal now is to make a profitable business from her horses and become a good "event" rider. Horses, knitting, reading, reining and event riding are Mrs. Preszcator's hobbies.

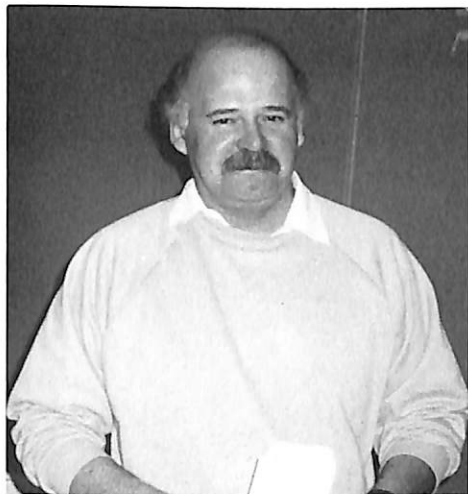

Mr. Proctor went to UWO, where he majored in Biology and minored in Business. His goal in high school was to graduate so that he could obtain a good paying job. His goal now is to seek financial security to ensure an enjoyable retirement. Mr. Proctor has been teaching for the past twenty-three years at NLSS. His interests include: baseball, hockey, basketball, church activities, golf, and computers. Mr. Proctor's pet peeves are: questionnaires and cafeteria supervision.

Mr. Quaife

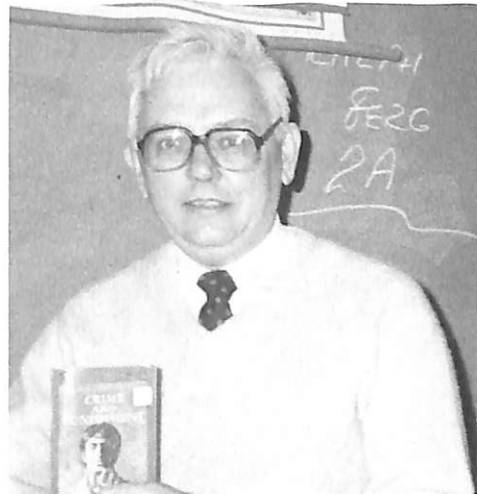

Mr. Shafer majored in History and minored in English at Western. He has been teaching for twenty-two years at North Lambton. His hobbies and interests include: collecting, photography, fishing, music, his kids (Sam and Max), and the native culture and history. Mr. Shafer's goal in high school was "... to make the world a better place. We were very idealistic." And today his goal remains the same.

Mrs. Smith attended the University of Western Ontario with a double major of English and History. She has always dreamed of being a teacher and her goal now is to head for the administrative end of teaching. She has been a teacher for three years and has taught at Annandale (in Tillsonberg), Lucas and NLSS. Previous to becoming a teacher, Mrs. Smith worked at the "Paul Smith & Son delicatessen. She enjoys most sports, cross-stitching, reading and cooking.

Mr. Sturdy teaches History at NLSS and has been doing so since 1959. He attended the University of Western Ontario and majored in both History and Philosophy. In his younger days, Mr. Sturdy dreamed of growing to become a squire. His main interest now is antiques.

Mr. Sutton began teaching at NLSS in 1985. Previous to becoming a Guidance Counsellor at NLSS, he taught English at LCCVI. Mr. Sutton achieved his BA at McMaster and his Masters at the University of Western Ontario. He majored in Educational Administration and minored in Counselling Theory and Practice. Mr. Sutton's main goal right now is to build a counselling service to serve all students better.

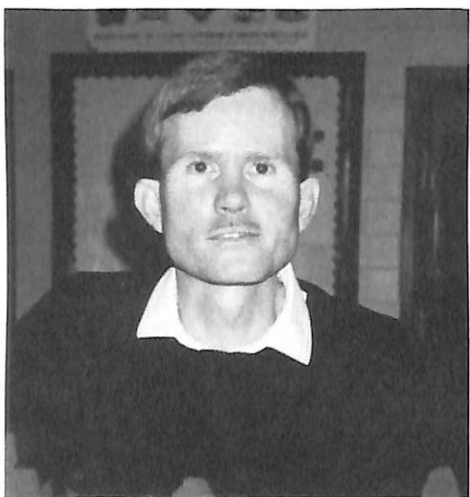

Mrs. Walker majored in Chemistry at McGill University in Montreal. She has been teaching Sciences at NLSS for eighteen years. While Mrs. Walker was growing up she had many jobs including working as a clerk, working in a police forensic lab, working for the B.C. government and working as a research chemist on the U.S. space programme. Her interests and hobbies include swimming, hiking and gardening.

Mr. Williams has just finished his first year at NLSS. He has been teaching since 1975 at several different schools including: Lucas, Beal, Northridge and Northdale. Mr. Williams is our Music department head, and also teaches English. He attended UWO. He enjoys sailing, recording, and performing. His main pet peeve is his car that won't go in reverse. Some of Mr. Williams many goals are: to continue to develop the already strong music programme here at NLSS (perhaps adding string instruments to the bands), to set-up a recording studio, to travel to Europe and to spend a winter on his boat in the British Virgin Islands.

Miss Amlin

Mr. Houston

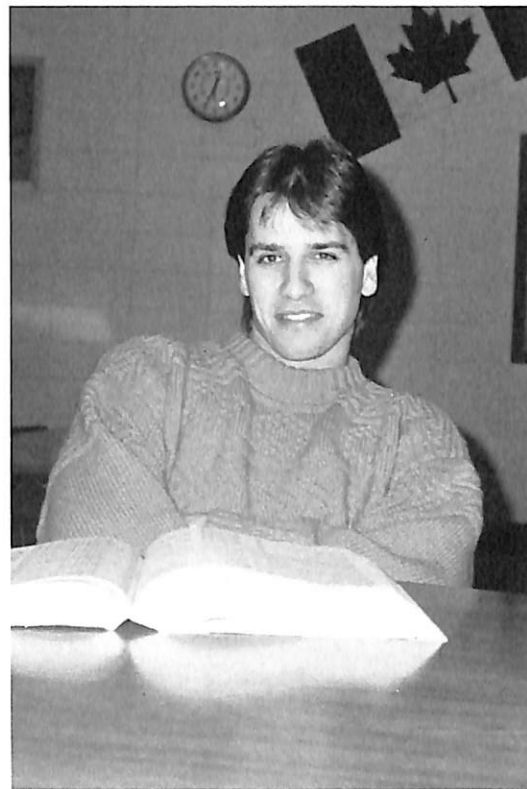

Mr. Woolley attended Lambton College, Queen's University and UWO. His goal in high school was to be an electronics designer. His goal now is to complete a Masters Degree. He has taught secondary school for two years at LCCVI and NLSS and post secondary school for five years at Lambton College. His interests include Theology, Ecology and Social Issues. His pet peeve is Yuppies.

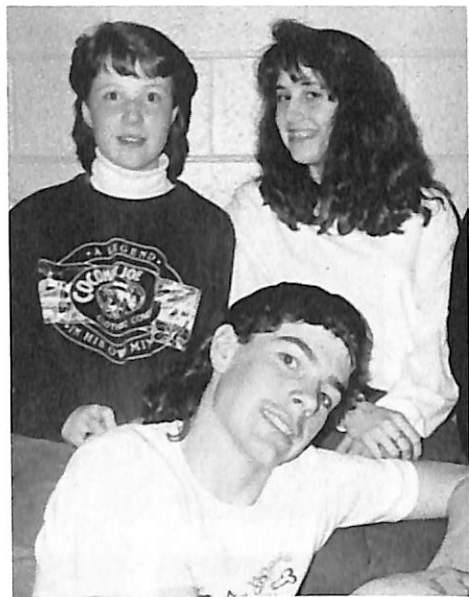

Mrs. Woodcock majored in French and minored in Spanish at the University of Toronto. Her pet peeve is surveys and her hobbies include golf, bridge tournaments and travelling. Her goal in high school was to either teach or translate. Her goal now is to escape from teaching with her sanity. In the past fourteen years Mrs. Woodcock has taught at several different schools such as Northern, Central, St. Clair, LCCVI, and North Lambton.

Mr. Dawson – Vice Principal

SKI TRIP

At the end of January a group of students from NLSS went downhill skiing at Bluemountain. Mr. Giroux, Mr. Furtney and Mr. Moloy accompanied the students.

Mr. Furtney would like to acknowledge some of these skiers for their achievements. The Wipe Out Award went to Trent Lucas, Jim Durfy earned the Out of Control Award, and Andy Allen was the Snow Bunny.

SPIRIT OF THE FIFTIES

The Spirit of the Fifties was a fundraising effort on the behalf of Mr. O'Donnell's History classes for their trip to Ottawa. The event consisted of skits, dancing and singing and awards were given out to the best dressed girl and guy.

The winners were Bob Cates and Sarah Dodge.

THANK YOU

Many thanks are extended to all the people who work "behind the scenes" here at NLSS. The custodians, the cafeteria staff, the office staff, the bus drivers, Mrs. Wolfe and Mrs. Windley all help to make North Lambton a clean and organized school. We are grateful to have these men and women working with us.

The yearbook club would like to specially thank Mrs. Windley for all the support, advice and encouragement she gave us through the year.

CAFETERIA STAFF: Peg Hutton, Mary Allison, Jewel McRae. Absent: Ria Boere.

OFFICE STAFF: Mrs. Andriash, Miss Hendrikx, Mrs. Jameison, Mrs. McGregor.

HAVE A ☺ HAPPY DAY!

DINNER THEATRE

The second annual Dinner Theatre was held in our cafeteria on November 24th, 1988. The 175 guests were served an Italian dinner, prepared by Mrs. Woodcock's friends from New York, then entertained by North Lambton's Musical Arts Club, with the Forest Excelsior Band performing between acts. The theme of this year's performance was "A Time for Peace." Many thanks go to our cafeteria and custodial staff, the production staff, Mrs. Windley and Debbie Emery (lighting), and to all those who helped with this successful production. Congratulations to the Musical Arts Club for an excellent performance.

LEADERSHIP RETREAT

On October 23rd, a bus load of NLSS students from various clubs, travelled to the United Church Camp for an overnight retreat. They had a great time and also learned many valuable lessons to enhance their leadership skills. Mr. Gilfoyle and Mrs. Smith organized this venture and Mrs. Beastall, Mr. Moloy and Mr. O'Donnell helped supervise the group.

OTTAWA TRIP

On April 13, 1989, forty-three of our students travelled by bus to Ottawa for a four day, three night stay. The students toured of the city, the Governor General's Residence, the House of Commons, the Senate, the Library of the Parliament Buildings, the Royal Canadian Mint, and the National Aviation Museum. They also visited the National Museum of Natural Science, the National Archives, and Rideau Centre. The trip was organized by Mr. O'Donnell.

THE ROYAL BALL

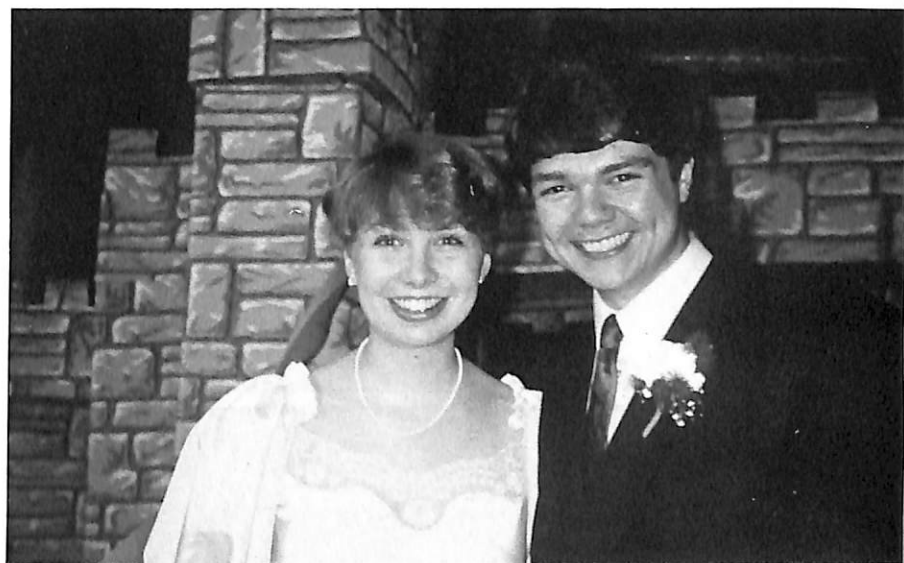

The day was Saturday, May 27, the place was the NLSS cafetorium, the event, "The Royal Ball."

Students, dressed in their finest garb, entered through the front doors of the school to meander through a moonlit

garden on their way to the castle.

On their arrival to the castle, they paused on the drawbridge for picture-taking. They danced away the evening until the crowning of the new prom king and queen.

NEW YORK, NEW YORK

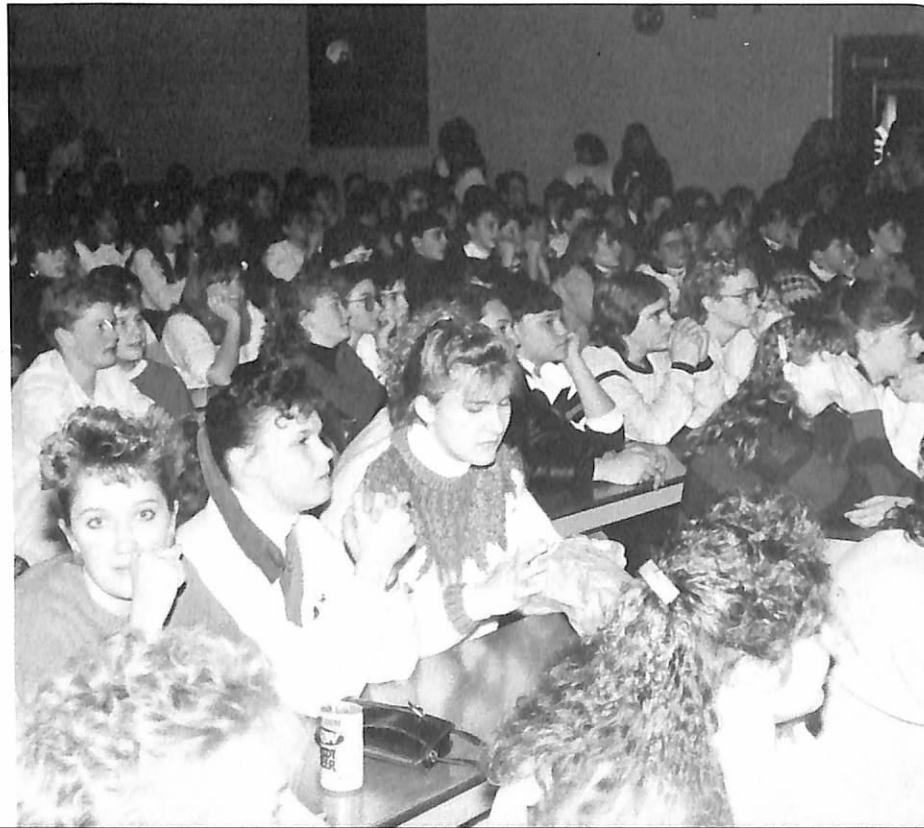

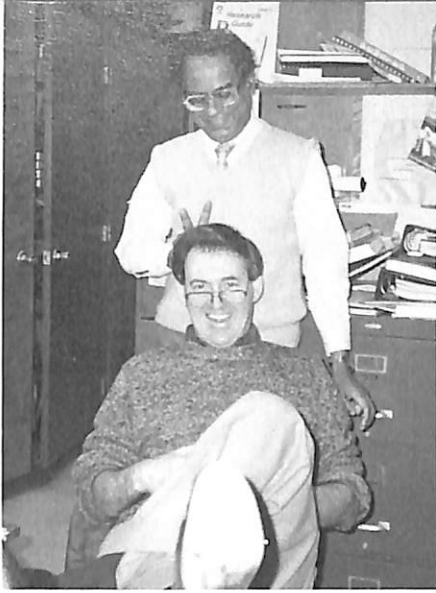

What do the Empire State Building, Radio City Music Hall, and a theatre performance of the Broadway musical, "Into the Woods", all have in common? To begin with, these are just a few of the fantastic sites that the N.L.S.S. Concert Band and Choir saw on the 1989 music trip.

Seventy-two students from our school travelled to this fascinating city to compete in an International Music Festival. The festival is held each April at the University of Columbus in New York City. In addition to the sites previously mentioned, the students also viewed the Statue of Liberty from the Staten Island Ferry, walked through Battery Park in Lower Manhattan and went on numerous shopping excursions.

Thanks to the dedication of the Concert Band's Conductress, Mrs. Karin Oppen and the Choir's Choirmaster Mr. Dave Williams, both the band and choir were able to achieve an 'award of merit' which signifies that they met the festival's standards.

The Yearbook Club would like to thank Mr. Boom and his business classes for selling the following ads. Mr. Boom put a great deal of work into these ads and we would like to thank him for making our job easier. It takes a great amount of work and money to produce a yearbook and Mr. Boom, along with his students, have helped provide us with both work and money.

The following businesses are patrons of this yearbook:

THE EAGLE'S NEST

Best wishes and thanks to all students —
Both past and present for your
Wonderful patronage and support over
The many years.
It has always been a pleasure serving you.
